Manoj Kumar

Senior Vice President - Technical & Operations, ModDwell | A
passionate façade professional, leading the transformation of the
façade industry with AI
Puducherry, India

Summary

I empower spaces to stand out with world-class glass, façade, and
lifestyle solutions.

Through ModDwell, we bring cutting-edge design and engineering
into everyday living.

Our portfolio covers façades, fenestration, handrails, skylights,
shower cubicles, lifestyle products, and bespoke solutions.

We craft designer & decorative glasses, structural glazing, and
insulating units.

Driven by innovation, sustainability, and precision — we transform
glass into an experience of light, luxury, and performance.

Leveraging my expertise in Generative AI and automation, I facilitate
the efficient completion and handover of high-profile projects. These
tools empower us to exceed operational goals, foster strong industry
relationships, and support ModDwell's mission for quality and timely
delivery.

Experience

ModDwell
